§ 384.4 [Reserved]

§ 384.5 What is the Corps of Engineers' obligation with respect to Federal interagency coordination?

Responsible Corps officials, to the extent practicable, consult with and seek advice from all other substantially affected Federal departments and agencies in an effort to assure full coordination between such agencies and the Corps of Engineers regarding programs and activities covered under these regulations.

§ 384.6 What procedures apply to the selection of programs and activities under these regulations?

(a) A state may select any program or activity published in the FEDERAL REGISTER in accordance with § 384.3 of this part for intergovernmental review under these regulations. Each state, before selecting programs and activities shall consult with local elected officials.

(b) Each state that adopts a process shall notify the appropriate Division Engineer of the programs and activities selected for that process.

(c) A state may notify the appropriate Division Engineer of changes in its selections at any time. For each change, the state shall submit to the Division Engineer an assurance that the state has consulted with local elected officials regarding the change. The Division Engineer may establish deadlines by which states are required to inform the Corps of Engineers of changes in their program selections.

(d) The Corps of Engineers uses a state's process as soon as feasible, depending on individual programs and activities, after the Division Engineer is notified of its selections.

§ 384.7 How does the Corps of Engineers communicate with state and local officials concerning its programs and activities?

(a) For those programs and activities covered by a state process under § 384.6, the responsible Corps official, to the extent permitted by law:

- (1) Uses the state process to determine views of state and local elected officials; and
- (2) Communicates with state and local elected officials, through the
